Two-year Fellowships for an initial two-year Master’s degree in the U.S.A. during 2018-2020.

These two-year Fellowships are outright grants for holders of the university Bachelor’s degree wishing to obtain an initial two-year Master’s degree in the U.S.A.

Financial support:
- for the first year of the Master’s programs up to $60,000 ($20,000 for stipend and up to $40,000 for tuition and health insurance).
- for the second year of the Master’s programs up to $40,000 for tuition and health insurance, subject to obtaining an outstanding GPA for the first year.

Applicants should apply to the Foundation during their last year of bachelor studies or not have obtained a Bachelor’s degree before January 1, 2017.

Fellows are expected to stay in the U.S.A. for 2 full academic years at a top university.

REQUIREMENTS:
1. hold the Belgian nationality;
2. hold a Bachelor’s degree at the time of activation of the fellowship;
3. submit official transcripts of 120 credits as evidence of an outstanding Bachelor’s study record;
4. submit an application to a two-year Master’s program in the U.S.A.;
5. have a good command of English and submit by November 15, 2017, a TOEFL iBT score of $100/120 or IELTS ≥7.5/9;
6. Submit GRE test results (VR≥155, QR≥155, AW≥3.5) or equivalent graduate admission test results.
